

# Cove Pointe Lot Contract

1. **Sale and Purchase.** Cove Preservation Partners, Inc., a Florida corporation (“**Seller**”) agrees to sell, and \_\_\_\_\_ (“**Buyer**”) agrees to buy the property described below on the terms and conditions set forth herein:

The property is part of that larger tract more particularly described on **Exhibit A** attached hereto (the “Subdivision Property”). **Buyer** understands and acknowledges that **Seller** intends to legally subdivide the Subdivision Property by plat or replat generally in the form of the sketch titled “Preliminary Plat of Cove Pointe” attached hereto as **Exhibit B**, subject, however, to such modifications, adjustments and additions as are deemed necessary or desirable by any governmental entity or agency having authority or jurisdiction over the approval of the plat or the permitting of any of the subdivision improvements (as finally modified, approved and recorded, such shall be referred to herein as the “Final Plat”). The property is described as that real property located in Bay County, Florida, which is depicted on the Preliminary Plat as Lot \_\_\_\_\_, but is subject to adjustment as provided above. Upon the recording of the Final Plat, such Final Plat shall be automatically, without further action on the part of **Buyer** or **Seller**, substituted herein for the Preliminary Plat for all purposes and the Property shall be identified with respect to reference thereto. Notwithstanding anything contained herein to the contrary, in the event a modification of the Preliminary Plat results in an increase or a decrease in the gross area of the Property by five percent (5%) or greater, then upon notification of such change, either **Buyer** or **Seller** shall have ten (10) days in which to exercise a right to cancel this Contract by providing written notice of such cancellation to the other. Upon cancellation pursuant to this provision, the Contract shall be null and void and the earnest money deposit shall be returned to **Buyer**.

2. **Terms.** The purchase price shall be \$\_\_\_\_\_ payable by **Buyer** in Certified U.S. funds as follows:

- (a) Earnest money deposit check provided by **Buyer** with this agreement, payable to Bay County Land & Abstract Co., 2518 S. Highway 77, Suite A, Lynn Haven, Florida 32444 (the “Escrow Agent”), in the amount of \$\_\_\_\_\_; and
- (b) Balance to close, subject to adjustments and prorations, to be made with cash, locally drawn certified or cashier’s check or wire transfer in the amount of \$\_\_\_\_\_.
- (c) **Buyer’s** obligations under this contract are not subject to any financing contingency. The Escrow Agent will hold the earnest money deposit in a non-interest bearing account.

3. **Seller’s Obligation to Complete Subdivision Improvements.** **Seller** represents and warrants that when the subdivision Improvements have been substantially completed that the Property will have ingress and egress by public roadway and that electricity and public water and sewer will be available to the Property. **Seller** agrees to proceed with reasonable due diligence to obtain the approval of the Final Plat and the substantial completion of the subdivision improvements contemplated by the Final Plat. Within seven (7) days of the substantial completion of the subdivision improvements contemplated by the Final Plat, **Seller** will deliver notice thereof to **Buyer** (the “Notice of Substantial Completion”).

4. **Closing Date.** This Contract will be closed and the deed and possession delivered within thirty (30) days after delivery by **Seller** to **Buyer** of the Notice of Substantial Completion.

**5. Title and Survey.**

- (a) *Title.* No later than five days after the delivery by **Seller** to **Buyer** of the Notice of Substantial Completion, **Seller** shall deliver to **Buyer** a title insurance commitment issued by a Florida licensed title insurer agreeing to issue to **Buyer**, upon the recording of the deed to **Buyer**, an owner's policy of title insurance in the amount of the purchase price, insuring title to the Property, subject only to the Permitted Exception which are listed on **Exhibit C** attached hereto, and liens, encumbrances and exceptions to be discharged by **Seller** at or before closing. At closing, **Seller** shall convey marketable title to the Property by statutory warranty deed subject only to the Permitted Exceptions. Marketable title shall be determined according to applicable Title Standards adopted by the authority of The Florida Bar. **Buyer** shall have five (5) days from the date of the delivery of the title insurance commitment to examine it and, if title is found to be defective, to notify **Seller** in writing specifying the defect. **Seller** will have ten (10) days from receipt of **Buyer's** notice of defects to cure the defects, but **Seller** shall not be obligated to incur any expense to do so. If **Seller** cures the defects within such ten day period, the **Seller** will deliver written notice to **Buyer** and the parties will close the transaction on the Closing Date. If the defects are not cured by **Seller** within such ten day period then **Seller** will deliver written notice to **Buyer** and **Buyer** shall thereupon have five (5) days to cancel this Contract by providing written notice to **Seller**. If **Buyer** delivers such notice of cancellation in a timely manner, then this Contract shall thereafter be null and void and the earnest money deposit shall be returned to **Buyer**. If **Buyer** fails to deliver such notice of cancellation in a timely manner then **Buyer** shall be deemed to accept title with existing defect (which thereupon shall constitute Permitted Exceptions hereunder) and the parties shall close this transaction on the Closing Date.
- (b) *Survey.* **Buyer** may, prior to the Closing Date, and at **Buyer's** expense, have the Property surveyed and deliver to **Seller**, within five (5) days of receipt of the survey but not later than five (5) days after delivery of the title commitment, written notice of any encroachments on the Property. Any such encroachment will be treated in the same manner as a title defect and **Buyer's** and **Seller's** rights and obligations will be determined in accordance with subparagraph (a) above.

**6. Closing Procedure; Costs.** The Closing will take place at the offices of the Escrow Agent. In addition to other expenses paid as provided in this Contract, **Seller** and **Buyer** will pay the costs indicated below:

- (a) **Seller's costs.** **Seller** will pay documentary stamp taxes on the deed, recording fees for documents needed to cure title, and the cost of the owner's policy of title insurance.
- (b) **Buyer's costs.** **Buyer** will pay recording fees on the deed, taxes and recording fees on any of **Buyer's** purchase money notes or mortgages, all expenses related to **Buyer's** loan, the cost of any lender's title policy at the simultaneous issue rate, the **Capitalization Assessment** which is levied on the Property upon the closing of this Contract pursuant to the terms of the Restrictive Covenants (see list of Permitted Exceptions for definition of the Restrictive Covenants), and the Annual Assessment assessed against the Property for the year of closing.
- (c) *Other Usual and Customary.* All other costs and expenses of closing shall be borne and paid as provided in this Contract, or if this Contract is silent, as is usual and customary in Bay County, Florida.
- (d) *Prorations.* Property taxes will be made current and prorated as of the day before the Closing Date, based on the then current year's tax. If closing occurs when either the then current year's millage is not fixed or the then current year's assessment is not

A tax proration based on an estimate shall, at the request of either party, be readjusted upon receipt of tax bill on condition that a statement to that effect is signed at closing.

7. **Land Use.** Buyer acknowledges and agrees that upon substantial completion of the subdivision improvements as contemplated by the Final Plat that the Property will be suitable for Buyer's purposes, and that the Restrictive Covenants and other pertinent regulation and restrictions, concurrency, growth management and environmental conditions, including possible jurisdictional wetlands, are acceptable to Buyer. This Contract is not contingent on Buyer conducting any further investigations.

The parties agree that Escrow Agent will not be liable to any person for misdelivery to **Buyer** or **Seller** of escrowed items, unless the misdelivery is due to Escrow Agent's willful breach of this Contract or gross negligence.

14. **Brokers.** Check one, as applicable:
